

**Leicester Outing U3A**

**Wednesday 31<sup>st</sup> October 2018**

**Cost £27**

**This trip includes a visit to the Richard III centre in Leicester City (with an optional look around the Cathedral opposite), then on to the Bosworth Heritage centre about 30 minutes away to see the exhibition and site of the Bosworth Battle.**

Those of you interested in history will know the importance of Leicester in the history of Richard III. If, like me, you get your dates mixed up, you will be delighted to have the story and period brought to life in the clear visual graphics on display in the centre. They recommend the tour takes 90minutes but as we will not be escorted you can discover for as long/as little as you like. I found the room guides very helpful and informed and the information boards very readable. We then meet up outside to walk back to the coach which will leave at 12.30pm arriving at Bosworth about 1pm in time for lunch. Here there is a very pleasant Tythe Barn serving a range of light meals and snacks and an enthralling exhibition about the Battle of Bosworth and life at that time. Also an outdoor walk from which you can view the site of the battle. This leads to a small rail station where there is an old ticket office and working glass blowing gallery selling beautiful items. We plan to leave about 4pm, arriving back sometime after 6pm depending on traffic.
