

**U3A outing to the British Motor Museum and Upton House and Gardens**

Date: Wednesday 27<sup>th</sup> March 2019.

Cost: £25

On this trip we are proposing to visit the British Motor Museum at Gaydon, Warwickshire in the morning and then travel to National Trust property Upton House and Gardens, near Banbury in the afternoon.

**British Motor Museum, Banbury Road, Gaydon, Warks CV35 OBJ**

The British Motor Museum is the World’s largest collection of historic British cars – from the Mini to the Rolls Royce, and from the early 1900s to the present day. There are over 300 classic cars on display from the British Motor Industry Heritage Trust and the Jaguar Heritage Trust.

We propose to arrive at the Motor Museum at 10.00. We will be divided into two groups for the tour of the British Heritage Trust museum. The first group will tour at 10.30 for an hour and the second group will tour at 11.30 for an hour. There will therefore be time to browse the Jaguar Heritage collection, as well as joining the tour.

For lunch the Junction 12 Café on the first floor serves a range of hot and cold meals, snacks and drinks. There are also tables where you can sit and eat your own picnic if you prefer.

At 1.30pm we leave the Motor Museum and travel to National Trust Upton House and Gardens.

**Upton House and Gardens, Edgehill, Banbury OX15 6HT**

Lord Bearsted, whose family founded the Shell Oil Company, made Upton his country home in 1927 and set about creating the perfect country residence for his family and large art collection. We leave Upton House at 4.00.

**This trip will include a tour of the Motor Museum, coach and gratuities. Please note that National Trust members have free entry to Upton House. Please bring your membership card with you. Any non-members will need to pay an additional £11 on the day for entry to Upton House.**

Send application form, cheque (payable to Chinnor U3A Outings A/C) and SAE to Peter and Janet Lambert, 1 Old Croft Close, Kingston Blount, Chinnor OX39 4RX 01844 352617.
